Teacher Effectiveness Training

The Department of Education, Don Bosco Institute, driven by its motto, "Empowering Teachers and Improving Schools", is committed to improving the quality of education in our schools by developing the personal and professional competencies of our educators through various levels and categories of training, thus equipping them to deal adequately with today's educational needs. With the maxim "Provide the best for the least", special efforts are being made to reach out to rural areas which lack opportunities for training and upgradation of skills.
